LET'S GET WILD...LIFE. PROMOTING WILDLIFE IN YOUR LANDSCAPE

Event Date : April 12, 10:00 am

Turn your yard into a haven for birds, butterflies, and pollinators! In this session, we'll discuss the best plants, water sources, and shelter options to attract beneficial wildlife while keeping unwanted critters at bay. Whether you're hoping to support local pollinators or just love the idea of a more vibrant, lively landscape, you'll leave with practical ideas for making your outdoor space more wildlife-friendly.
