

CREATING COLORFUL CONTAINERS

Event Date : April 26, 1:00 pm

Container gardening is a great way to add color and personality to any space, whether it's a patio, balcony, or front porch. In this hands-on session, we'll show you how to design beautiful, long-lasting container arrangements using flowers, foliage, and even edibles. Learn how to select the right plants, pair colors and textures, and care for your containers so they stay vibrant all season long.
