GROW THE STORY: RESURRECTION GARDEN WORKSHOP

Event Date : April 3, 10:00 am

Join us this Good Friday for a meaningful, hands-on experience as we create a **Resurrection Garden**—a beautiful, living reminder of Christ's Resurrection and the Easter story.

We will be offering 2 classes, one will start at 10am and the second will start at 11am.

This family-friendly workshop is the perfect way to slow down, reflect, and build something special together. Each ticket includes everything you need to create one complete garden, including **potting soil, containers, plants, and decorative stones** to represent the scene.

Whether your family works together on one garden or each person creates their own, this is a powerful visual way to tell the story of hope, renewal, and new life.

Good Friday (April 3rd) at 10:00 AM
Each ticket = 1 garden (share it or make your own!)
All materials included

Come grow something meaningful this Easter season—we can't wait to create with you.
