MARYANN'S VEGETABLE GARDEN SERIES: PLANNING YOUR VEGGIE GARDEN

Event Date : March 15, 10:00 am

A great harvest starts with a solid plan! Join MaryAnn as she guides you through designing a productive vegetable garden, from choosing the right location and layout to selecting the best crops for each season. You'll also learn how to space your plants for maximum yield and efficiency. Whether you're a first-time gardener or a seasoned grower looking to refine your setup, this session will help you get the most out of your garden.
