

PAID CLASS: PRESSURE COOKING: CANNING YOUR VEGGIES W/ MARYANN

Event Date: May 10, 10:00 am

Take your canning skills to the next level! Unlike water bath canning, pressure canning allows you to safely preserve low-acid vegetables like green beans, carrots, and corn. MaryAnn will walk you through the process step by step, covering equipment, safety, and best practices for long-term food storage. A great skill for any home gardener! *Pre-registration required*.
