7401 Coit Rd.
Frisco, TX 75035

SHADES OF GREEN
NURSERY + LANDSCAPE
FRISCO ONLY

Event Date : May 10, 10:00 am

Take your canning skills to the next level! Unlike water bath canning, pressure canning allows you to safely preserve low-acid vegetables like green beans, carrots, and corn. MaryAnn will walk you through the process step by step, covering equipment, safety, and best practices for long-term food storage. A great skill for any home gardener! *Pre-registration required.*
