

PUMPKIN SUCCULENT HAPPY HOUR

Event Date : September 29, 6:00 pm

It's time to grab a group of friends or your significant other, a bottle of wine and your favorite snack or cheese board and come to your favorite nursery for Pumpkin Succulent Happy Hour!

These events are BYOB and THIS year we are going back to our old ways, selling individual tickets. If you have a group that would like to be put together please email rebecca@shadesofgreeninc.com after everyone in your group has purchased your ticket! Or just purchase the total amount for your group and we will have a spot for that size when you arrive.

This event will be held outdoors underneath our lighted patio.

For any questions regarding your purchase or additional info, please email rebecca@shadesofgreeninc.com.
