

SUNSETS ON SUNSET: HEATH OWENS CONCERT

Event Date : October 16, 5:00 pm

Join us for our October music series, Sunsets on Sunset! 🍁

Let's kick off the fall season with fun for the whole family! We have brought back our beloved Pumpkin Painting, and added in some live music! Come sit in our Pumpkin Patch and enjoy tunes from the truck bed at Sunset on Sunset BLVD.

Growing up in the country in Southern Idaho with a classic country heritage as the great grandson of Buck Owens, Heath Owens is leaving behind a dust cloud of memorable tunes wherever he goes. Heath's songs blend a combination of real life, soulful lyricism and angsty unavoidable singalong choruses that draw from vast influences of alt-country, southern rock and 90's punk. Hot on the heels of trailblazing bands like 49 Winchester, Treaty Oak Revival or Muscadine Bloodline. Come ready to dance and sing and see what the buzz is all about!

This entire event is \$10 per car, and that gets you access to pumpkin painting and a concert!

Music begins at 6pm!
